

CALL for ABSTRACTS GeoTirol 2016

Annual Meeting DGGV • 25–28 September 2016 • Innsbruck

Submission Deadline: **27 April 2016**

www.GeoTirol2016.com

Annual Meeting

hosting:

PANGEO
AUSTRIA

&

Bodenseetagung

Dear Colleagues,

This year's annual meeting of the DGGV will be held in Innsbruck from the 25th until the 28th of September 2016. The meeting is also hosting PANGEO Austria and the Bodenseetagung. The call for abstracts is now open and we cordially invite you to submit abstracts for talks and posters through the conference homepage: www.GeoTirol2016.com. The abstract submission deadline is the **27th of April 2016**.

The proposed sessions cover a wide range of topics, including **Engineering Geology, Geophysics, Hydrogeology, Mineralogy, Natural Hazards, Palaeontology, Petrology, Sedimentology**, and **Tectonics**.

In order to make the most of the privileged location of Innsbruck in the heart of the Alps, we have scheduled an **extensive excursion programme** with 15 pre- and post-conference field trips. For detailed descriptions of the proposed excursions please visit the conference homepage www.GeoTirol2016.com. To facilitate organisation please register for the field trips as soon as possible.

We are looking forward to meeting you in Innsbruck in September!

The organising committee

PLENARY LECTURES

Nele Meckler | University of Bergen | young scientist plenary speaker

Clumped isotope thermometry as new tool for paleoceanography

Stefan Schmid | ETH Zürich

The Alps as a part of the Mediterranean collision zone from a geological-geophysical perspective
