

# SEG Student Chapter Leoben

## Conference

# my SEG Europe

*Meeting of Young Scientists on Economic Geology in Europe*

April 5-6<sup>th</sup>, 2018

at Montanuniversität Leoben, Austria

We proudly invite you to the 1<sup>st</sup> *my SEG Europe* conference, a symposium organized by students for students.

- Students will be given the unique opportunity to give a talk on their Master or PhD projects in economic geology
- The thematic focus is on ore deposits in Europe; other topics on economic geology are welcome
- Undergraduate students are especially encouraged to attend
- Keynote talks by F. Melcher and H. Mali as well as an optional field trip are planned - detailed information will follow
- The conference proceedings will be published online by SEG with a summary in SEG Newsletter in 2018
